

**WONEWOC-CENTER  
SUMMER SCHOOL  
2017**

**#WolvesofWC**

# GENERAL SUMMER SCHOOL INFORMATION

## Attendance

If your child has to be absent from a summer school course, please call the school 608 464-3165) as soon as you know. That way we can alert our instructors of student absences.

## Conduct

Students will be expected to follow the same standards of conduct in effect during the school year.

## Fees

Most summer school classes do not have any fees. Those that require a fee are listed in the course descriptions. Please submit all fees with the registration form.

## Food Service

You may be thinking about what your child will do for meals while school is not in session. Nutrition is crucial for children to have a safe and productive summer. The summer food service program provides an opportunity to provide nutritious meals to students for FREE that will promote children's physical and social development.

### **Here are the facts about our Summer Food Service Program:**

- Children 18 and under eat FREE!
- Parents and caregivers are welcome to eat with their children and tickets may be purchased in the cafeteria for \$3/meal (breakfast or lunch)
- Meals will be served June 12 through June 30 (Monday through Thursday) and July 10 through July 28) (Monday through Thursday)
- Meals will be served 7:30-8:30AM (breakfast) and 11:30AM-12:30PM (lunch)
- Meals will be served in the Wonewoc-Center School Cafeteria (101 School Rd, Wonewoc, WI)
- If you have questions please contact: Melissa Gehri (464-3165 ext. 125)

## Registration

Registration will begin on April 18. All forms should be turned in by April 30, 2017. In order to register for summer school, please look through the class descriptions in this booklet and fill out the registration form at the end of the book. The form can be mailed in, given to the classroom teacher or brought to the district office.

## Session I (June 12 through June 30)

- Classes will be held Monday through Thursday from 8:30 a.m. to 11:30 a.m. Students will come at 8:30 and be done at 11:30. There are "other summer school opportunities" offered at different times, make sure to check them out at the back of the booklet.
- During Session I there will be a number of classes offered in enrichment. Each class will meet for approximately 55 minutes. (There will be time between classes for students to move from one class to another.) Breakfast and lunch will be served (see "Food Service" above for more info).
- Students should select four classes that they wish to attend. We will try to accommodate and get your child's top choices.
- Students who are involved in swimming lessons may come and go as needed.
- **NO transportation will be offered for Session I.**

### **Session II (July 10 through July 28)**

- Classes will be held Monday through Thursday from 8:30 to 11:30. Students will come at 8:30 and be done at 11:30. This session of summer school will be called “Jump Start.” It will emphasize math and reading instruction. This session will help students get over the “summer lag” and give them an opportunity to brush up on their skills in different academic areas.
- Students will have 55 minutes of math activities, 55 minutes of reading activities, and 1 period of enrichment.
- Breakfast and lunch will be served (see “Food Service” above for more info).
- Transportation **will be** offered for Session II.

### **Other Opportunities for Summer School Participation**

- Other classes will be offered at different times throughout the summer. These courses are listed at the end of this booklet - please register for these classes as well.

## Session I Classes

### Photography-Mrs. Preuss

Grade Level-any

Description of Class: You need no prior photography knowledge. We'll start with the basics and have fun with all of our projects. While not required, having some sort of camera (digital, a phone with a camera, disposable, etc.) would allow the student to take part in all of the adventures. Students who do not have a device will be provided one through the school.

### Outdoor Learning Center II-Mrs. Beeman

Grade Level: 5-8

Description of Class: Students will be hiking on trails, exploring nature, building campfires, cooking on a campfire.

### Outdoor Learning Center I-Mrs. Beeman

Grade Level: 3-5

Description of Class: Students will be hiking on trails, exploring nature, building campfires, cooking on a campfire.

### Board Games-Mrs. Beeman

Grade Level: 3-8

Description of Class: Students will learn proper skills to play board games (manners, taking turns, good sportsmanship).

### Readers Theater-Mrs. Beeman

Grade Level: 3-6

Description of Class: Students will perform plays and write a play and perform.

### Biking Adventure-Mr. Stuckert

Grade Level 2-8

Description of Class: While exercise is important for all kids, not all kids enjoy running, walking, or playing traditional games which is why this class will allow kids to enjoy the outdoors while still getting the exercise they need. This class welcomes all students who are looking to be physically active by riding bike and enjoying the beautiful Elroy-Sparta State Bike Trail. Students will also learn about bike safety and how to take care of their bike.

### Strength Training-Mr. Stuckert

Grades 5-8

Description of Class: This class will focus on fundamentals of strength training both in the weight room and through different movement games and activities. If your child is looking to get stronger, faster, or just wanting to get in better shape this will be a great class for them to learn some basic fundamentals of fitness training.

### Get Up and Go Games-Mr. Stuckert

Grades 1-4

Description of Class: This class is all about movement and being active. Students will play a variety of different games, both indoors and outdoors. If your child loves to play games and be active this is the class for them.

### **Harry Potter Club-Mrs. Bradley**

Grades 4-6

Description of Class: We are pleased to inform you that, as you are now entering grades 4-6 and have the necessary talents, you have been invited to attend Hogwarts School of Witchcraft and Wizardry, Wonewoc-Chapter. If you choose to attend, you can expect to: Be sorted into your houses, Make your own want, sample Butterbeer, Bertie Bott's Beans and Jelly Slugs, complete against other others in games/competitions crated by the Weasley twins, concoct poly juice potion, and create wizardly crafts and participate in magical activities. The class is for Wizards, Witches and Mugglers (no prior Harry Potter knowledge necessary to attend).

Professor: Peggy Bradley, Deputy Headmistress

### **CSI: Crime Scene Investigation-Mrs. Bradley**

Grades: 4-6

Description of Class: Do you love mysteries, puzzles and science? Then this may be the class for you! Join us as we use our detective skills to solve mysteries and analyze crime scenes. Activities include solving mini-mysteries, playing crime/detective games, and learning how to analyze fingerprints and handwriting samples.

### **Theater Games-Mrs. Bradley**

Grades 4-6

Description of Class: Students will develop their imagination, creativity and self-confidence through a variety of games, exercises and improvisation activities designed to teach the principles of acting.

### **Intro to Engineering-Ms. Strauss**

Grades K-5

Description of Class: Students will be doing hands on projects and learning about the world of science. Included in the projects are reading materials that go along with the unit. Students may be asked to design a container in which live plants can be shipped from one place to another, to create rockets and space ships. The experiences are unlimited.

### **Intro to Foods-Ms. Strauss**

Grades K-2

Description of Class: Becoming self-sufficient at a younger age is becoming more and more popular. In this class students will learn the basics of food production, and develop skills necessary to create dishes that they can prepare themselves. Some things students may be working on are: Yogurt Sundaes, Mini-Pizzas, Healthy Nachos, Whole Wheat Bread Art and many more items.

### **Lego Land-Ms. Strauss**

Grades K-2

Description of Class: Create, build, and work with Legos. Students will have an endless supply of Legos to work with. Students will be encouraged to use their imagination and build various Lego items.

### **Young Authors-Mrs. Degner**

Grade: 5<sup>th</sup> through High School

Description of Class: Develop children books, write, illustrate and research child development and children's literature.

**Volleyball Basics**-Mrs. Degner

Grade Level 4-8

Description of Class: The class is for males and females. Students will learn volleyball basic skills. They will have fun playing against friends.

**Junior Chef's**-Mrs. Roehling/Mrs. Thompson

Grade Level: 2-4

Description of Class: Students will learn basic techniques of cooking, food preparation, and how to be safe in the kitchen. Students will learn to prepare simple dishes that they can make at home.

**Weight Training**-Mr. Boulanger

Grade Level: Middle and High School

Description of Class: Students learn various exercises in the WC fitness center.

**Drama**-Mr. Boulanger

Grade Level: All ages

Description of Class: Students learn stage skills and create movies and skits.

**Backyard Games**-Mr. Boulanger

Grade Level: All ages

Description of Class: Students learn games/sports they can play with a group of friends.

**We Do 2 and "simple and powered"**-Ms. Osborne

Grade Level 1-3

Description of Class: Through project-based activities, students' skills are enhanced across science, engineering, technology, and coding. The unique combination of the LEGO brick, classroom-friendly software, and inspiring, standards-based science projects results in a resource that builds students' confidence. Empower them to ask the right questions, define problems, and design their own solutions by putting scientific discovery in their hands.

**Crash Course in Culture**-Mrs. Paulson

Grades 2-5

Description of the Class: Have you ever wondered what life is like on the other side of the planet? Come take a virtual tour around the world, exploring different cultural traditions, foods, holidays, languages, legends, art, games, music, dance, etc. from other countries. Emphasis will be placed on acceptance and appreciation of diversity.

**Survivor**-Mrs. Paulson

Grades 4-8

Description of Class: Students will participate in a variety of indoor and outdoor team-building activities, physical and mental challenges, group competitions, and strategy games as they learn the importance of being a good team player as well as a strong individual competitor.

**Spanish**-Mrs. Paulson

Grades 3-6

Description of Class: Spanish vocabulary and phrases (greetings, colors, numbers, days of the week, etc.) while being introduced to Hispanic culture through crafts, songs, dance lessons, games, and traditional Hispanic foods.

## **Basketball Fundamentals-Mr. Needham .**

Grades: 4K-2

Description of Class: Students will learn basic fundamental skills of basketball.

## **T-Ball & Soft Toss (Grades 4K-2)**

Students will begin to develop skills for softball and baseball. Schedules will be sent home after registration.

Teacher: Tony Green and Tory Needham

## **Session II Class Enrichment**

### **Photography-Mrs. Preuss**

Grade Level-any

Description of Class: You need no prior photography knowledge. We'll start with the basics and have fun with all of our projects. While not required, having some sort of camera (digital, a phone with a camera, disposable, etc.) would allow the student to take part in all of the adventures. Students who do not have a device will be provided one through the school.

### **Biking Adventure-Mr. Stuckert**

Grade Level 2-8

Description of Class: While exercise is important for all kids, not all kids enjoy running, walking, or playing traditional games which is why this class will allow kids to enjoy the outdoors while still getting the exercise they need. This class welcomes all students who are looking to be physically active by riding bike and enjoying the beautiful Elroy-Sparta State Bike Trail. Students will also learn about bike safety and how to take care of their bike.

### **Strength Training-Mr. Stuckert**

Grades 5-8

Description of Class: This class will focus on fundamentals of strength training both in the weight room and through different movement games and activities. If you child is looking to get stronger, faster, or just wanting to get in better shape this will be a great class for them to learn some basic fundamentals of fitness training.

### **Get Up and Go Games-Mr. Stuckert**

Grades 1-4

Description of Class: This class is all about movement and being active. Students will play a variety of different games, both indoors and outdoors. If your child loves to play games and be active this is the class for them.

### **Drama-Mr. Geiger**

Grade 3 to 5

Description of Class: Students will be introduced to Improv, Character development, and scene study.

### **Poetry Writing-Ms. Harris**

Grades 4 to 6

Description of Class: Students will learn how to read and write poetry. Turn words and ideas into creative descriptive poems. Learn different styles of poetry and writing tips and ideas for revising...

### **Sculpture**-Mrs. Danahy

Grades: 3 through 5

Description of Class: Students will use 3D techniques of clay and papier Mache to create functional artwork.

### **Band Lessons**-Ms. Coggon

Grades 5-12

Description of Class: Sharpen band student's skills in preparation for band performances.

## **Other Courses**

### **Basketball Fundamentals II** – Mr. Needham

Grades K-5

Description of Class: Students will begin to develop skills for softball and baseball.

### **Basketball 101**-Mr. Needham

Grade Level: 6, 7, and 8

Dates: June 12-14, June 19-21, June 26-28

Time: 5:30 p.m. to 7:30 p.m.

Description of Class: Students will learn the basics of basketball that will help with the basketball season. Terminology, shooting, playing man to man defense are skills that you will learn. This skills will help you grow as a basketball player.

### **Basketball Fundamentals**-Mr. Needham

Grade Level: K-5

Dates: To be determined

Description of Class: Students (girls and boys) will continue to work on developing the necessary basketball skills to become a skilled athlete.

### **Boys/Girls' Basketball Camp**: Mr. Needham

Grade Level 1-8

Dates: To be determined

Description of Class: Boys' and Girls' will learn basic basketball skills, along with rules, and teamwork.

### **Summer Reading Program**-Mrs. Chipman

This summer's Wonewoc Public Library reading program will focus on a goal we can all get behind—Building a Better World. From taking care of our earth, to building stronger communities, to building physical creations, this summer's program is sure to spark imaginations while engaging curious readers of all ages!

This is a joint venture between the W-C school and the Wonewoc Public Library, and will be taught by Maxine Chipman and the Public Library staff.

Tuesdays

June 27, July 11, 18, 25 and August 1, 8

Ages 4-6 from 1-2 p.m.

Ages 7-9 from 2:30-3:30 p.m.

Ages 10-12 from 1-2 p.m.

Book checkout time will be available following each program.

**Classes will be held at the Wonewoc Public Library.**

### **Bike Riding-Mrs. Baker**

Grade Level 3-5

Time: 12:30 p.m. to 2:30 p.m.

Dates: July 7/12, 7/19, 7/26.

Description of Class: Students will start at the school at 12:30 p.m. and bike along the bike trail towards Union Center. We will turn around at the Union Center Park and come back into town. We will end at the coffee shop downtown for and ice cream cone. Students will need to have a bike and a bike helmet. A water bottle and tennis shoes are recommended. Please be prepared to pick up your child at the Center Street Coffee and Treats or have a note regarding how your child will get home after.

### **Credit Recovery-Ms. Graewin**

Grade Level 6-12

Dates (Session I and II)

Description of Class: Student who have failed a course for either first semester or second semester will have the opportunity to make up the credit. Students need to check with Mrs. Nemec to find out what courses they need to make up.

### **Kayak the Kickapoo-Mrs. Gibbons**

Grade Level: 4-8

Date: Wednesday, July 5; rain date Friday, July 7 or  
Thursday, July 6: rain date Friday, July 7

Cost: \$20.00

Description of Class: Join Mrs. Gibbons and Mrs. Beeman for a fun filled 3-4 hour trip kayaking the Kickapoo River. The Kickapoo River flows through beautiful country side and is an easily navigable river. We will put in at Drifty's Rentals in Ontario and then depending upon the ages/abilities of the students get out at Bridge 4 (shorter trip) or Wildcat State Park (longer trip). There will be plenty of pit-stops along the river to eat, swim, throw Frisbees and have lots of fun! Never kayaked before? No worry! Mrs. Gibbons will have you rolling down the river after a few short lessons. Life jackets will be provided and you will need to wear them at all times during the trip. We will leave the school parking lot at 9:00 a.m. and be back to school by approximately 4:00. There will be a limit of 15 students each day.

### **Weight Lifting-Mr. Hoile**

Grades 6-12

Dates: Monday, Wednesday, and Friday starting June 8, 2017

Time: 4:30 p.m. to 6:00 p.m.

Description of Class: The emphasis in this course is on muscular strength, endurance, flexibility, and safety. The core lifts in this course include parallel squats, power and hanging cleans, bench press, and incline press.

### **Football Fundamentals - Mr. Hoile and Mr. Needham**

Grades 6-12

Dates: June 15-19

Time: 6:15 p.m. to 7:15 p.m.

Description of Class: Students will learn the basics and get a head start on the football season. Learn all the fundamentals to become a star football player. Football skills include; throwing, catching, and running with the ball, defense, timing and endurance. In addition students will gain skills in footwork, agility, speed, flexibility and strength.

## Elementary/Middle School Football Fundamental - Mr. Hoile and Mr. Needham

Grades 5-8

Dates June 15 to 19

Time: 6:15 p.m. to 7:15 p.m.

Description of Class: Our goal is to provide athletes of all abilities and skill levels with a combination of expert football instruction and physical and mental conditioning to create a complete athlete.

Players can expect to work hard on improving balance, movement, concentration, confidence, flexibility and power.

## Volleyball Camp - Mrs. Justman

Grades: 4-6

Time: To be determined

Cost: Cost of T-shirt

Time: To be Determined

Description of Class: This program will focus on fundamental training and concentrate on individual skills. We will teach each and every athlete the fundamentals of passing, serving and hitting.

Cost: T-shirt

## Hunter Safety Course

Grade Level: 10 years or older

Dates: Will notify when we have all students registered. Will be of July.

Time: First class 5:30 to 7:30 p.m. (Parents should attend). Remainder of classes will be from 2:00 to 5:30 p.m.

Description of the Class: Wisconsin DNR Hunter Safety Course.

The class should will be limited to 25 students. Students 12 years or older should get preference if more than 25 students sign up. The course is a minimum of 12 hours long.

All students must have their DNR Customer Number before coming to class.

toward the end

## ATV Safety

Grade Level: 10 years or older

Dates: To be Determined

Time: To be determined

Description of the Class: Wisconsin ATV Safety Course. The class should be limited to 25 students.

Students that are 12 or older will get preference if more than 25

students sign up. The course is a minimum of 10 hours.

## Swimming Lessons

Dates: Session 1 (June 12-June 23), Session 2 (July 10-July 21) Session 3 (July 24 through August 4)

*Dates subject to change*

Swimming lessons will be taught following American Red Cross guidelines at the Wonewoc Pool. We are putting a limit of ten students per level. This means we might have to offer a couple classes of each level depending on the number of students. We will be sending a schedule home after we have all the registration forms turned in. *In order to conduct the class more smoothly, we ask that parents/guardians/babysitters stay on the outside of the fence.*

### **Pre-School Aquatics (Ages 3 & up)**

Skills worked on: Water adjustment, submerging underwater, floating on front and back with assistance, gliding on front and back with assistance, rolling from front to back and reverse with assistance, basic kicking skills, and arm movements.

### **Level 1: Introduction to Aquatic Skills**

Must be able to stand in shallowest part of pool on own. Skills worked on: retrieving submerged objects in shallow water, front and back floats and glides with minimal assistance, treading water with assistance, alternating leg and arm action on front and back.

### **Level 2: Stroke Development**

Skills worked on: Rotary breathing while moving, survival and back floats in deep water, tread water 1 minute, stream lined position, front crawl 25 yards.

### **Level 3: Stroke Improvement**

Skills worked on: compact and stride entries, underwater swimming, surface dives, survival swimming, open turns, treading water 2 minutes, front crawl 25 yards, breaststroke 15 yards, butterfly 15 yards, flutter and dolphin kicks, elementary back stroke 25 yards, back crawl 15 yards, sidestroke 15 yards.

### **Level 4: Stroke Refinement**

Skills worked on shallow-angle dive, tuck and pike surface dives, front and back flip turns, front crawl 50 yards, breaststroke 25 yards, butterfly 25 yards, elementary backstroke 50 yards, back crawl 25 yards, sculling, sidestroke 25 yards.

### **Level 5: Skill Proficiency**

Skills worked on: front crawl 100 yards, elementary backstroke 100 yards, back drawl 50 yards, breaststroke 50 yards, open and flip turns, HELP position, huddle position, back float and survival float 5 minutes, treading water kick only 2 minutes.

### **Girls Summer Softball Fundamentals**

Practices will go over basic fundamentals and continue to develop skills. All teams will be joining the Vacationland Summer League. Please note - players may play on more than one team if age appropriate. Practice and game schedules will be sent home. Please designate which Softball session you are signing up for by grade level

Teacher: Mrs. Ertel

Grades: 2-4 Softball Fundamentals

Grades: 5-8 Softball Fundamentals

Grades: 9-12 Softball Fundamentals

### **Boys Summer Baseball Fundamental**

Practices will go over basic fundamentals and continue to develop skills. All teams will be joining the Vacationland Summer League. Baseball pants and cleats recommended but not required. Practice and game schedules will be sent home.

Teacher: Mr. Green/Mr. Needham

Grades 2-4: Baseball Fundamentals

Grades 5-8: Baseball Fundamentals

Grades: 9-12 Baseball Fundamentals

## 2017 Summer School Registration Form

Please return this form to the classroom teacher or Wonewoc-Center School District Main Office by April 30, 2017. Each child in your home should have a separate form. You may find additional forms on the district website [www.wc.k12.wi.us](http://www.wc.k12.wi.us)
