

WONEWOC-CENTER SUMMER SCHOOL 2025

(Updated 4/15/25)

**REGISTRATION FORMS
ARE DUE BY
APRIL 25, 2025**

General Summer School Information

We are pleased to be offering summer school courses in the Wonewoc-Union Center School District. We are very excited to offer classes not only in the morning, but the afternoon as well! In this document, you will find a list of courses being offered, the dates that summer school will occur, and other valuable information.

If you are considering sending your child to summer school, it is very important that you fill out the registration and emergency contact forms and return them to the Wonewoc-Center school office no later than **April 25, 2025**.

Attendance

If your child will be absent from a summer school course, please call the school at (608) 464-3165 ext. 110 as soon as you know your child will not be attending.

Fees

Most summer school classes do not have fees. Those that require a fee are listed in the course descriptions. If fees cause an undue hardship and may result in a child not taking a class, please contact Mr. LaBansky and advise him of the situation.

Conduct

Students will be expected to follow the same standards of conduct that are in place during the school year. Summer school is a privilege and students who do not follow school rules may be asked not to return for a certain period of time.

Food Service

As a working parent/guardian, you may be concerned as to what your child will do for meals during the summer while you are at work. Once again the Wonewoc-Union Center School District will be offering breakfast and lunch to all children who are under the age of 18. The summer food service program provides an opportunity to provide continued nutritional meals to students. Meals are free to all students. You do not have to be eligible for free or reduced lunch to participate in this program. Students do not need to attend summer school to participate in the Summer Food Service Program.

Here are the facts about the Summer Food Service Program:

- Children 18 and under eat free.
- Parents and caregivers are welcome to eat with their children and tickets may be purchased in the cafeteria.
- Breakfast will be served from 7:30 a.m. until 8:30 a.m. (Monday through Thursday) (June 9-19 and August 11-21).
- Lunch will be served from 11:30 a.m. until 12:30 p.m. (Monday through Thursday) (June 9-19 and August 11-21).
- Meals will be served in the cafeteria at the Wonewoc-Center School (101 School Road, Wonewoc, WI 53968).
- If you have any questions about the Food Service Program, please call Melissa Gehri at (608) 464-3165 ext. 125.

Summer School Registration

Registration for Summer School will begin on April 14, 2025. All forms should be turned in to the school by **April 25, 2025**. In order to register for summer school, please look through the class descriptions in this booklet and fill out the registration form at the end of the handbook.

A child may register for as few or as many sessions as they wish. Students should select the classes they would like to sign up for. Student requests will determine which classes are offered. Please do not sign your child up if you do not intend to send them to summer school.

All completed forms should be returned to the district office or to the child's teacher. They may also be mailed back to Mr. LaBansky, Wonewoc-Union Center School District, 101 School Road, Wonewoc, WI 53968.

Summer school this year will concentrate on skills in reading and math as well as offering some fun and different courses for all students.

A full list of courses and their descriptions will follow in this handbook.

Transportation

We will not be offering transportation during the first session. However, we will be offering transportation for the second session for those who would not be able to participate otherwise. If your child needs transportation, please note that on the registration form.

Summer School Sessions

Session 1 (June 9-19) and Session 2 (August 11-21)

- Classes will be offered Monday through Thursday from 8:00-2:40. I met with students a few weeks ago and their requests determined which classes are offered.
- 3K Jumpstart to School! and 4K Adventure Camp will be offered from 8:00-11:55 for incoming and current 4K students.
- Lunch and recess will be from 11:55-12:40.
- 3K Jumpstart to School! and 4K Adventure Camp will be offered from 11:55-2:40. (Students can choose between half day sessions or full day sessions)
- Wolves Summer Camp will be offered from 8:00-10:55 for current K-8 students. A brain break will be included.
- Students can choose an elective class from 11:00-11:55.
- Lunch and recess will be from 11:55-12:40.
- Students can choose an elective class from 12:45-1:40 and from 1:45-2:40.
- Reading intervention services will be offered as well to students who qualify.

SESSION 1

Class Name	Current Grade(s)	Session(s)	Description
3K Jump Start to School!	-	1	This class will help prepare you for entering 4K! Jumpstart your school year with some fun! You will have a chance to explore the world through dramatic play, literature, songs, crafts, and hands on activities. This class can be taken in the morning, afternoon, or both!
4K Adventure Camp	4K	1	This class will help review things you learned in 4K! You will have lots of fun through a variety of activities that may include Playdoh, coloring/chalk/bubbles, outside games, learning about letters, sensory fun, and art! This class can be taken in the morning, afternoon, or both!
Bracelet Making	K-2	1	Are you interested in making bracelets? You will make bracelets using a variety of different materials. You will get to keep or share the bracelets you make! There is a \$5 materials fee for this class.
Kitchen Fun	K-2	1	Children will be learning the basics of cooking, baking, and kitchen safety. Let's whip up some new creations! There is a \$5 materials fee for this class.
Lego Master	K-2	1	Do you enjoy building with Legos? This is the class for you! In this class you will be allowed to explore your imagination and also be challenged to build something while meeting special requirements. You will also learn about the history of LEGOs, where their bricks came from, and what makes them different from similar bricks.
Puzzlemania	K-2	1	Do you enjoy puzzles? Putting puzzles together can be both relaxing and a fun challenge! In this course, there will be a variety of puzzles offered! Want a simple and relaxing puzzle that is 300 pieces or less? Do you want a unique and challenging 500+ piece puzzle that may take all week to complete? You can work on a puzzle independently or have a blast working on one with a friend! There may even be puzzles with a mystery inside for the whole group to complete! Come check it out!
Basketball Skills	K-2 3-5 6-8	1	Basketball fundamentals will be taught in this class. Coaches will provide individual and group instruction to help you develop and improve your dribbling and shooting skills.
Ceramics	K-2 3-5	1	This class is an introductory class. You will explore various ways to use clay and make fun projects. There is a \$5 materials fee for this class.
Zoob Challenge	K-2 3-5	1	Do you like to build things? Do you like to solve challenges? You will build different items using our new Zoob building blocks! This is a very hands on, action packed class!
Game Night	K-2 3-5 6-8	1	Are you worried you will be BOARD this summer? Then come join us to expand your mind by playing board games and card games. You will learn how to play a variety of different board games. You will be introduced to some older and newer board games. Dice and card games may be introduced as well!
Outdoor Games	K-2 3-5 6-8	1	You will learn outdoor games that keep you energized. Frisbee golf, kickball, and cornhole may be a few of the games! The possibilities are endless! If it is played outside it is fair GAME!

Wolves Summer Camp	K-2 3-5 6-8	1	Wolves Summer Camp is a math and literacy program that combines lessons with an engaging and interactive summer camp approach. You will develop stronger math, reading, writing, and well-being skills that you will carry back to school in the fall. Lessons are framed around seven key strengths of belonging, kindness, curiosity, friendship, confidence, courage, and hope. Summer Camp ensures that you are prepared to enter the coming academic year secure in your abilities. This class will be offered in a three hour block.
Crazy Concoctions!	3-5	1	Mix, fizz, and experiment in this hands-on class where you will create wild and wacky concoctions! From bubbling potions to gooey slime, you will explore science through exciting, safe, and sometimes messy experiments. There is a \$5 materials fee for this class.
Just Dance!	3-5	1	Do you enjoy listening to music and dancing? How about learning new dance moves to go along with some of your favorite songs? In this course, you will match your movements to the beat of both new and old hits! There are many Disney hits or popular pop songs to choose from! Let's dance!
Kids in the Garden	3-5	1	You will learn about gardening by taking care of plants, harvesting, and eating school garden produce. Nutrition lessons will also be provided related to the produce we are harvesting. Additional garden days may be added for harvesting produce and getting it out to school and community members. This class will be continued in the second session; however, you don't need to attend the second session to sign up for this course.
Painting	3-5	1	There are many different types of paint. You will use tempera, acrylic, and watercolor paints to explore a variety of subject matter.
Baking 101!	6-8	1	Do you enjoy baking? Do you want to learn how to bake? Then this class is for you! We will learn the basics of baking and enjoy your sweet treats as well! This course will be offered in a two hour block There is a \$10 materials fee for this class.
Teens in the Garden	6-8	1	You will learn about gardening by taking care of plants, harvesting, and eating school garden produce. Nutrition lessons will also be provided related to the produce we are harvesting. Additional garden days may be added for harvesting produce and getting it out to school and community members. This class will be continued in the second session; however, you don't need to attend the second session to sign up for this course.

SESSION 2

Class Name	Current Grade(s)	Session(s)	Description
3K Jump Start to School!	-	2	This class will help prepare you for entering 4K! Jumpstart your school year with some fun! We will have a chance to explore the world through dramatic play, literature, songs, crafts, and hands on activities. This class can be taken in the morning, afternoon, or both!
4K Adventure Camp	4K	2	This class will help review things you learned in 4K! We will have lots of fun through a variety of activities that may include Playdoh, coloring/chalk/bubbles, outside games, learning about letters, sensory fun, and art! This class can be taken in the morning, afternoon, or both!
Crafty Creations	K-2	2	Do you like to craft? You will engage in a variety of craft projects using lots of different materials. This is for those who like to be creative and work with their hands.
Drawing	K-2	2	Throughout this class, you will have the opportunity to explore with a range of drawing media, including pencil, pen and ink, oil pastels, charcoal, and colored pencil. You will learn the unique characteristics of each medium and how to use them to create different effects.
Kitchen Fun	K-2	2	You will be learning the basics of cooking, baking, and kitchen safety. Let's whip up some new creations! There is a \$5 materials fee for this class.
Painting	K-2	2	There are many different types of paint. You will use tempera, acrylic, and watercolor paints to explore a variety of subject matter.
Volleyball	K-2	2	You will work on developing and improving your volleyball skills.
Let's Build It!	K-2 3-5	2	How tall can you build a tower just using paper? Are you curious about how things work? Do you like to build things and make new designs? If so, this is the class for you. You will design and build a variety of things including bridges, towers and paper airplanes
Upcycled Art	K-2 3-5	2	Interested in taking apart items or making something new from something old? This is the course for you! Come get creative with us!
Let's Cheer!	K-2 3-5 6-8	2	You will learn cheers, chants, and jumps. You will also be talking about what it means to have good sportsmanship, a positive attitude, and what it means to be a team member. Let's have some FUN!
Sign Language	K-2 3-5 6-8	2	Join this session for an opportunity to learn some basics about sign language! This class will help you communicate with those who are hearing impaired!
Wolves Summer Camp	K-2 3-5 6-8	2	Wolves Summer Camp is a math and literacy program that combines lessons with an engaging and interactive summer camp approach. You will develop stronger math, reading, writing, and well-being skills that you will carry back to school in the fall. Lessons are framed around seven key strengths of belonging, kindness, curiosity, friendship, confidence, courage, and hope. Summer Camp ensures that you are prepared to enter the coming academic year secure in your abilities. This class will be offered in a three hour block.
Bracelet Making	3-5	2	Are you interested in making bracelets? You will make bracelets using a variety of different materials. You will get to keep or share the bracelets you make! There is a \$5 materials fee for this class.

Kids in the Garden	3-5	2	You will learn about gardening by taking care of plants, harvesting, and eating school garden produce. Nutrition lessons will also be provided related to the produce we are harvesting. Additional garden days may be added for harvesting produce and getting it out to school and community members. This class is a continuation of the first session; however, you don't need to attend the first session to sign up for this course.
Kitchen Fun	3-5	2	You will be learning the basics of cooking, baking, and kitchen safety. Let's whip up some new creations! This class is offered in a two hour block. There is a \$10 materials fee for this class.
Stop Motion Storytelling	3-5 6-8	2	You will learn how to create stop motion stories in many different ways - digitally, with clay, with paper, Legos, etc. The only limit is your imagination!
Basic Robotics	6-8	2	Join us as we play with robots and learn how to make them move! You will work with a variety of different robots - spheros, ozobots, mindstorms, and more.
Outdoor Games	6-8	2	You will learn outdoor games that keep you energized. Frisbee golf, kickball, and cornhole may be a few of the games! The possibilities are endless! If it is played outside it is fair GAME!
Teens in the Garden	6-8	2	You will learn about gardening by taking care of plants, harvesting, and eating school garden produce. Nutrition lessons will also be provided related to the produce we are harvesting. This class is a continuation of the first session; however, you don't need to attend the first session to sign up for this course.

OTHER SUMMER SCHOOL OFFERINGS

Biking the Omaha Trail	Grades 5-12	June 13	Come along as we bike from Wonewoc-Center to the Omaha Trail tunnel. The round trip is approximately 25 miles. You will need to have a bike, helmet, and lunch. We will leave at 9 am and return by 3 pm.
Devil's Lake Adventures	Grades 5-12	June 9	Join us as we explore Devil's Lake State Park. You will hike up the bluff then hit the beach! Vans will leave the school at 9 am and return by 3 pm. Students will need to pack a lunch.
Mirror Lake Adventures	Grades 5-12	June 6	Join us as we explore Mirror Lake State Park. You will hike and then hit the beach! Vans will leave the school at 9 am and return by 3 pm. Students will need to pack a lunch.
Tractor Safety	Ages 12-16	June 30 July 1, 2, 3	The purpose of this course is to instruct youth on the safe use of farm equipment. This course will be delivered in person at Mauston High School. It will include driver preparation and testing. Attendance at all sessions is required for certification in Wisconsin to allow a child under age 16 to operate a farm tractor or self-propelled implement on the highway. Lunch will not be provided and students should bring their own sack lunch daily. Cost per student \$30 (\$50 total if there are 2 from the same family)
1 Night Camping/ Bike Trip	Grades 5-12	June 17-18	You will bike, camp, and swim on this adventure! The round trip is approximately 25 miles. Students will need a bike, helmet, and lunch for day 1. We will return, camp at Legion Park in Wonewoc, and swim at the pool. We will leave from the school at 9 am, and students need to be picked up from Legion Park by 1 pm the following day. There is a \$15 materials fee for this class.
Safe Sitter	Grades 6-8	TBD	Safe Sitter is a one-day class that will be offered through Gundersen. The class is designed to prepare students in grades 6-8 to be safe when you are home alone, watching younger siblings, or babysitting. You will learn safety skills, childcare skills, first aid and rescue skills, and life and business skills. Registration for this class will be through Gundersen at a later date.
Mirror Lake Adventures	Grades 5-12	July 18	Join us as we explore Mirror Lake State Park. You will hike and then hit the beach! Vans will leave the school at 9 am and return by 3 pm. You will need to pack a lunch.
Biking the Omaha Trail	Grades 5-12	July 23	Come along as we bike from Wonewoc-Center to the Omaha Trail tunnel. The round trip is approximately 25 miles. You will need to have a bike, helmet, and lunch. We will leave at 9 am and return by 3 pm.
Devil's Lake Adventures	Grades 5-12	July 24	Join us as we explore Devil's Lake State Park. You will hike up the bluff then hit the beach! Vans will leave the school at 9 am and return by 3 pm. You will need to pack a lunch.
Canoe the Kickapoo	Grades 5-12	July 22	Come canoe the Kickapoo with us! There is a limit of 12 students. We will leave the school at 9 am and return by 3 pm. You will need a water bottle, sunscreen, bug spray, swimsuit, and lunch. There is a \$25 materials fee for this class.
Band Lessons	5-12	Date TBD	Band lessons are for any current band students entering grades 5 through 12. An additional signup sheet will be brought home with your student to sign up for a specific day and time to schedule weekly lessons. Weekly lessons are 30 minutes long.

Credit Recovery	6-12	Date TBD	Students who have failed a semester of any core classes in grades 6-12 can sign up for summer school to make up the coursework. When you register please identify which course you failed and if it was the first or second semester. Courses not made up during the summer will have to be made up in the fall. The work for credit make-up will be done online and the workload will be equivalent to demands of an in-person course. Students can complete the coursework from home and will have to make sure they get their devices updated through the IT help desk prior to leaving for the summer. Checking school email will be a requirement of credit recovery courses since students are not coming into the building.
Hunter Safety Internet Day	Ages 10+	Date TBD	<p>You need to take and pass the online hunter ed course before the date of the internet field day. The course can be found at: https://www.hunter-ed.com/wisconsin-hunt/</p> <p>This class is 4–6 hours, depending on the number of students attending, and will include: a classroom session, outdoor shooting, blood trailing, demonstrations of tree stand safety, and survival skills.</p> <p>Important! Bring your Online-Only Hunter Education Course Completion Certificate to the Hunter Internet Field Day as proof of having completed the online course.</p> <p>There is a \$10 materials fee for this class.</p>
ATV Safety	Ages 10+	Date TBD	<p>Anyone who operates an ATV on public riding areas-for example trails, frozen waters, routes, permitted county and/or forest lands-who is at least 12 years of age and who was born on or after Jan. 1, 1988, must have completed a safety certification course. These ATV operators must carry their safety certification card and they must display it to law enforcement officers when requested.</p> <p>There is a \$10 materials fee for this class.</p>
Strength and Conditioning	5-12	Dates TBD	This course will teach you how to properly lift weights and engage in fitness training. This can lead to numerous advantages including improving physical health, enhancing athletic performance, boosting confidence, developing lifetime fitness habits, and reducing the risk of injuries.
Trigonometry	Must have completed Algebra 2	Dates TBD	This will be a hybrid course. You will meet both in person and virtually. You can earn ½ credit of math.
