Wes Stuckert, Dean of Students

Sally Thompson, Special Education Director
Morgan Preuss, District Bookkeeper

July 27, 2020

Dear Wonewoc-Center Parent or Guardian,

This continues to be a very challenging year for every aspect of our lives. At this time any other year, we would be getting ready for the start of school. We would be fine tuning schedules, completing schedules for our elementary elective courses, washing and waxing floors, and getting ready for the buses to roll in and drop off our students.

Instead, this summer we have watched the Covid-19 numbers fall and then begin to rise again at a rapid speed. As the district administrator, I am trying to create the best decision possible for the start of our school year. Surveys have been sent out to parents, transportation needs, and faculty. Results were tabulated and that information was used to develop a plan. I realize there is no way to satisfy everyone, but we have put together a plan that we hope will meet the needs of all the children in our District.

The plan developed by the district was made up of a committee of six administrators, five teachers, athletic and activities director, school nurse, school counselor, head of maintenance, and bus owners. The plan was developed under the guidance of the Department of Public Instruction, Superintendents from all over the state, as well as the Juneau County Health Department.

Even though we have developed a four-option plan to return to school, I want you to know that this plan is ever changing. As numbers of Covid-19 increase or decrease, the plan may change. In addition, the Juneau County Health Department can at any time close down school because of number of cases reported in this area.

Enclosed in this mailing is a booklet explaining the districts four options. We ask that parents/guardians select one option to start school. This does not mean you are locked into that option for the entire school year. The plan developed is for the first nine weeks of school. As parents/guardians, you at any time can call the school and change the option you selected. If you have any questions about the options please call any administrator here at school.

Also, included in the booklet are the safety precautions we are taking here at school to provide as safe an environment as we can should you decide to send your child back to school.

Please read the booklet through its entirety and then complete the yellow information sheet in this mailing. Please return the information sheet by scanning and sending it back to ennisha@wc.k12.wi.us, fax it back to 608 464-3325, or mail it back to Wonewoc-Center School, Attn: Dr. Ennis, 101 School Rd, Wonewoc, WI 53968. **Please complete the form and return by August 7, 2020.**

Once again, if you have any questions please call any of the following administrators: Dr. Sharon Ennis, Michelle Noll, Sally Thompson, Wes Stuckert, Morgan Preuss, and Ann Lankey.

Sincerely,

Dr. Sharon Ennis
District Administrator
