Every family will need to have two emergency contacts. If a child has symptoms they must be picked up from school as soon as possible. This is why it is extremely important that we have two contacts. You may add a third contact if you wish.

Contact 1 First Name	Last Name	Relationship to child	Address	Phone Numbers (home, cell, work)

Contact 2 First Name	Last Name	Relationship to child	Address	Phone Numbers (home, cell, work)

Contact 3 First Name	Last Name	Relationship to child	Address	Phone Numbers (home, cell, work)

As a parent I would like a letter sent to my employer letting them know that I may have to leave work to pick up my child immediately if they show any signs of the COVID-19 virus. If you or your spouse have more than one employer please list all that you want information sent to.
