

# SCHOLARSHIP PROGRAM FALL 2025

We are thrilled to announce our Scholarship Program, designed to empower ambitious individuals like you to achieve your academic goals. Let's create a better tomorrow through education!

## ELIGIBILITY CRITERIA

- ✓ Be a current high school senior
- ✓ Be a resident of Juneau, Wood, Monroe, & Adams Counties
- ✓ Have aspirations of a career in machining
- ✓ Plan on attending a college in the fall 2024

## ABOUT THE SCHOLARSHIP

The Mitotec Precision Scholarship program was created to support students attending institutions pursuing studies in machining degrees at any college. While enrolled in a two-year Machining Program, our Earn & Learn programs allow students to work part time for Mitotec while attending college on weekends and summer / winter breaks. Partial or full scholarships are also available. The program is a paid position that students can work while being enrolled in a two-year Machining Program.
