The Juneau County Democrats are sponsoring a competitive scholarship that will be awarded to a graduating senior from a school district in Juneau County. This award will be based on civic involvement by the student. It is not an essay contest. Rather, the student is asked to document their civic commitment to their community and school. This scholarship award will not be based on service to any political party.

The scholarship is in the amount of $1,000 dollars . If there are no satisfactory applications, those funds will remain with the Juneau County Democratic Party. The JCD is also continuing to fundraise for this scholarship.

Examples of student civic activity might include:
· Holding an office in student government
· Volunteering in support of a community or school event
· Assisting at a local Veteran's event

Examples of exceptional activity in consideration for the award might include:
· Coordinating voter registration for students turning age 18 and now eligible to vote.
· Writing a state legislative representative regarding an issue affecting your school or community.
· Writing a letter to the editor of your local newspaper on a topic affecting your community
· Volunteering to assist at a local voter polling place.
· Assisting in the campaign of a local school board candidate or other local government offices such as city council, mayor, or county board.
· Interviewing school board candidates and publishing their comments on the school website.

The list of exemplary activity is not intended to be complete or exhaustive. Applicants may list others. This award is for both college and technical school applicants. Again, the scholarship will not be awarded for service in support of any particular political party. Please use the form below in submitting your application. Applications must be submitted by April 15, 2027.
